BECOME A SPONSOR:

Since we operate as both a community & internet radio station, we largely exist through the strong support of community sponsors (**like you!**) So show your community support and help stimulate your own “community conversations”.

Why Advertise on Internet Radio?

- Internet radio plays far fewer commercials per hour, which results in higher listener attention levels, increasing the ads, intended effect.
- Listeners are only one click away from an advertiser’s web site. They are online and have browser windows open. This makes it very easy to get the listener to visit the advertiser’s web site.
- Web radio listeners are a highly active group of consumers with an above average level of purchase intention according to an analysis by BIG Research.

High Volume Music Radio offer sponsors complete control over the type of ad that is used, as well as creative over site of on-air ads. We can work with you to produce a unique ad or you can use one that your company has already created.

- With High Volume Music Radio your company gets exposure to listeners on the High Volume Music Radio website, the High Volume Music Radio Facebook Page, through Twitter and more to come in the near future!

We are adding new listeners every day and are set on becoming a major player in the internet radio and podcasting format playing only THE Best Continuous Hit and indi Music on our station.
